ABOUT COZMIC

Cozmik is a next-generation Educational ERP and Governance Cloud that brings academics, administration, finance, examinations, transportation, and campus operations into one intelligent ecosystem. Designed for institutions of all sizes, Cozmik enables smarter decisions, improved efficiency, and seamless digital transformation.

MISSION AND VISION

MISSION AND VISION

OUR VISION

To become the leading governance platform that empowers every educational institution to achieve operational excellence, maximum transparency, and transformative student outcomes through intelligent technology.

OUR MISSION

To simplify complex institutional management by delivering a secure, scalable, and unified cloud solution that reduces administrative burden, eliminates revenue leakage, and creates safer, smarter campuses.

WHY INSTITUTIONS CAN TRUST COZMIC

Scalable, Secure & Future-Ready

Built with modern technology and strong security practices, Cozmic adapts to institutions of all sizes while ensuring reliable performance and data protection.

Data-Driven Decision Making

Gain real-time insights through dashboards, analytics, and automated reports that help administrators monitor performance, identify trends, and make informed decisions faster.

Centralized Academic & Administrative Management

Streamline student records, attendance, communication, and institutional operations through a single integrated platform, reducing manual work and improving efficiency.

Reduce administrative workload by up to 70%

Access institutional data in real-time

Improve operational efficiency across 6+ core departments

KEY MODULES & FEATURES

ACADEMICS

Powers analytics, curriculum, and academic governance. Connects data insights with academic performance tracking.

GALAXY

ATTENDANCE

Tracks all absentees and presentees in real time. Keeps classrooms disciplined and records accurate attendance.

STELLAR

FEE MANAGEMENT

Handles fee collection, receipts, and compliance. Centralizes payments to ensure financial transparency.

GRAVITY

TRANSPORT

Oversees bus routes, schedules, and student transport. Keeps every journey smooth, safe, and on time.

ORBIT

HOSTEL MANAGEMENT

Manages hostel allocations, facilities, and student records. Provides a safe, organized living environment for residents.

HAVEN

EXAMINATION

Manages examinations, scheduling, grading, result processing, and performance analytics. Ensures accurate, transparent, and efficient academic evaluation.
